## Product Discontinuation Notification – Hirschmann GDM 3011-18 Torx Screw

Dear Valued Customer,

As part of our ongoing commitment to operational efficiency and supply chain optimization, Belden would like to inform you of the discontinuation of select valve accessory listed in this document. These products were originally designed as an alternative accessory option for GDM DIN Valve connectors. Due to a decline in demand, it is no longer feasible to continue offering this product.

If you require assistance in identifying alternative product options, please contact your local Belden Customer Service Representative.
