Subject: EOL Notification: Standards moving to Specials

Dear Valued Customer,

At Alpha Wire, a connected Belden brand, your confidence and satisfaction are paramount. The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality.

Effective immediately, all part numbers listed below have entered their End-of-Life (EoL). As part of our regular product life cycle management activities, a lack of demand was identified which resulted in a product that was no longer cost-effective to manufacture. The items will be available as specials and offered with a 5,000 ft. minimum order quantity.

Should you have any questions, please feel free to contact your Belden representative or channel partner.

Sincerely,

A handwritten signature in blue ink that reads "Kristi Mathews".
