I. Selling Entities. Belden Inc., a Delaware corporation, is the worldwide parent company and is the predominant selling entity for Belden sales made in the United States. Hirschmann, Lumbergh Automation, Mohawk, Tofino Security and West Penn Wire are unincorporated divisions of Belden Inc. Hirschmann Automation and Control GmbH, Belden Deutschland GmbH, Belden Wire & Cable B.V., Belden Shangai, Belden Suzhou, Belden Solutions Asia Limited, Belden Singapore, Belden Asia, Belden Australia and GarrettCom, Inc., a California corporation and ProSoft Technology, Inc., a California corporation are direct or indirect, wholly owned subsidiaries of Belden Inc. that may act as the selling entity for certain products in certain geographies. Whichever entity is the selling entity for a particular transaction as documented in the invoice sent to Distributor by Belden or one of its affiliates is referred to herein as “Company.”

II. Agreement.

2.1 The following terms and conditions of sale, together with the terms and conditions of any written agreement signed by an authorized representative of the Company and of the ordering entity or person (“Buyer”) covering the subject matter hereof (collectively this “Agreement”), shall apply to sales resulting from Company's acceptance of Buyer's order for the products, goods, articles, materials, supplies, components, drawings, data or other property described herein (the “Products”). Offers to purchase can be accepted only by an authorized representative of Company and offers to purchase are not effective or binding until approved in writing by such authorized representative. Any different or additional terms and conditions proposed by Buyer in its purchase order or otherwise are hereby rejected by Company (except those which cannot be lawfully excluded) and shall not be incorporated into this Agreement. Buyer's assent to the terms and conditions of sale set forth herein shall be conclusively presumed from Buyer’s failure to object thereto in writing as well as from Buyer's acceptance of all or part of the Products.

2.2 Where this Agreement is found to be an acknowledgement, if such acknowledgement constitutes an acceptance of an offer, such acceptance is expressly made conditional upon Company's assent to the terms and conditions hereof. All or part of the Products delivered by Company shall be deemed to constitute such assent by Buyer. If this Agreement constitutes an offer, Buyer’s acceptance of such offer is expressly limited solely to the terms and conditions hereof.

III. Orders

3.1 Any quotation issued by the Company is not an offer to sell the goods or provide the services which are the subject of that quotation. Any quotation issued by the Company may be withdrawn by the Company at any time on notice.

3.2 Each order placed by the Buyer shall be an offer by the Buyer to purchase the relevant goods or services subject to these terms and conditions of sale. No order will be deemed accepted by the Company unless and until the Company issues a written acceptance of order or delivers the goods which are the subject of the Buyer’s order (whichever happens first).

IV. Prices.

4.1 Prices are as established by Company from time to time, with shipments to be billed at such prices as in effect on the date of shipment. Such prices are in U.S. dollars unless stated otherwise, and are subject to any price adjustment necessitated by Company’s compliance with any act of government, laws or regulations. Any tax, duty, tariff or other governmental charge upon the production, sale, shipment or use of the Products which Company is required to pay or collect from Buyer shall be paid by Buyer to Company unless Buyer has furnished Company with a tax exemption certificate acceptable to the appropriate taxing authority. Except to the extent that Buyer is eligible for freight allowances in accordance with policies established by Company in its discretion, any payment by Company of freight charges shall be for the account of Buyer and shall be paid by Buyer with and in addition to the purchase price.

V. Payment.

5.1 Payment for the Products shall be according to payment terms as Company may establish in its discretion. Company may in its discretion make available to Buyer prompt payment discounts. Any prompt payment discounts shall be allowed on the Products only and shall exclude freight charges. Absent any contrary agreement, payment terms shall be net 30 days from the invoice date.

5.2 Late payments shall bear interest at the lesser of rate of 1.5% per month (18% per annum) or the highest rate permissible by law, both before and after judgment until payment in full; provided, however, that in no event shall Company charge interest higher than the maximum rate allowed by applicable law. Buyer shall pay Company for all expenses (including reasonable attorneys’ fees) incurred by Company in collecting any amounts due by Buyer to Company.

5.3 The Buyer shall not be entitled to set-off against any amount payable by it to the Company any amount which may be due (or which the Buyer may allege is due) from the Company to the Buyer whether under these conditions or otherwise.

VI. Terms of Shipment.

6.1 The shipment of the Products to Buyer for U.S. domestic shipments shall be F.O.B. Company's location of shipment (if outside the U.S., INCOTERMS 2020: Ex-works), and Company may in its discretion ship from any of its locations (including third party logistics providers and certain Belden direct-shipping suppliers). Notwithstanding the foregoing, shipments of ProSoft Products shall be Incoterm 2010: CIP. Full prepaid freight will generally be allowed on orders of US $5,000 or more within the contiguous United States, although higher minimum levels may exist in certain pricing structures, such levels to be communicated with the price information. Drop shipments via ground carrier are permitted within a 150 mile radius of Buyer's authorized locations, provided that Company will not support drop shipments to any freight forwarder, and provided further that drop shipments shall be made at Buyer's expense and incur a shipment fee of 7% of the invoice price, such fee not to exceed US $7,500, that will be invoiced as a separate line item. Any drop shipment made by air shall not be subject to a separate drop shipment fee; provided, however, that Buyer shall be required to pay all freight, shipping and related accident or drop-shipping charges. Any payments or transfers made within the contiguous United States; provided, however, that ProSoft Products may be shipped to customer locations globally. Drop shipments beyond such 150 mile radius are permissible only with the prior written consent of the Belden Regional Sales Director. The Buyer, at its expense, may provide a pre-paid freight carrier, and such carrier must be a company approved by Company and has a history of commercially reasonable practices. All shipments shall be made at Buyer's risk and expense.

The Buyer, at its expense, may provide a pre-paid freight carrier, and such carrier must be a company approved by Company and has a history of commercially reasonable practices. All shipments shall be made at Buyer's risk and expense.

6.3 The following warranty is exclusive and in lieu of all other warranties, whether express, implied or statutory, including any warranty of merchantability, fitness for any particular purpose, title or non-infringement. Company warrants to Buyer that the Products are, at the time of delivery to Buyer, free of material and workmanship defects, provided that no warranty is made with respect to (a) any Product which has, in Company’s judgment, been subject to negligence, misuse, abuse, accidents, alteration or mishandling; (b) any Product newly manufactured or repaired; (c) any Product not purchased from Company; or (d) any Product manufactured or repaired by any other party. Company’s prior written authorization shall void Company’s warranty on the Products.

6.4 At its option, Company shall repair, provide replacement Products for, or refund the purchase price of any Products that breach the foregoing warranty for the following time periods starting from the date of shipment of the Products to Buyer: for Belden
and West Penn Wire wire and cable Products, ten (10) years; for fiber optic cables, hybrid fiber/cooper cables, connectivity Products, conduct wire, patch cord Products, active systems hardware Products and all other Products (including Mohawk Products and Alpha Wire Products), one (1) year; and for Alpha Wire Products, one (1) year; and such obligation shall be Company's exclusive obligation and the full extent of its liability, and Buyer's exclusive remedy, for breach of warranty. Company makes no warranty with respect to any software or firmware that are a part of the Products, and Company makes no warranty with respect to Products that are manufactured by and carry the brand of a third party that is not an affiliate of Belden Inc.

Upon discovery of an alleged defect, Buyer shall notify Company in writing within ten (10) days of such discovery of any claim whatsoever that Buyer may have with respect to the Products, and Failure to give such notice within the specified time shall constitute an unqualified acceptance and waiver of all claims with respect to the Products. Upon receipt of notice from Buyer claiming defective Products, Company may inspect such Products at Buyer's location or require that they be returned to Company on a freight cost basis for inspection. All warranty claims must be supported by all and any claims of purchase and appropriate Product identification information, where applicable. Product can be returned to Company only when it has issued proper return authorization under the Company's then prevailing return material authorization policy. Company retains the right to be the sole judge of what constitutes a defect in performance or manufacturing in regard to this warranty.

10.3 This warranty excludes labor costs associated with the replacement of defective Product.

10.4 Acceptance shall occur, if not before, when Buyer fails to reject in writing within ten (10) days after delivery of the Products to Buyer. Buyer may rightfully reject only where a reasonable inspection shows that the Products fail to substantially conform to the applicable Product specifications. Acceptance does not affect transfer of title and risk of loss to Buyer under Section VI. Buyer may revoke acceptance, if it has made a good faith effort to do so, in writing to Company before a reasonable time of acceptance, but be limited to those expressly provided herein for breach of warranty. After acceptance, the Products may not be returned to Company except to the extent expressly provided herein upon a breach of warranty.

XI. Limitation of Liability. IN NO EVENT SHALL COMPANY BE LIABLE (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, INCLUDING NEGLIGENCE) FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES BY WHOMSOEVER INCURRED OF WHATEVER NATURE, INCLUDING DAMAGES FOR LOST PROFITS, DATA, TIME, REVENUES OR THE LIKE, EVEN IF COMPANY IS ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, EXCEPT FOR COMPANY'S PATENT INDEMNITY OBLIGATIONS UNDER SECTION 12.2 BELOW, IN NO EVENT SHALL COMPANY'S TOTAL LIABILITY (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, INCLUDING NEGLIGENCE) FOR ANY CLAIMS OR DAMAGES ARISING OUT OF OR CONNECTED WITH THIS AGREEMENT OR THE MANUFACTURE, SALE, DELIVERY OR USE OF THE PRODUCTS EXCEED THE PURCHASE PRICE OF THE PRODUCTS TO WHICH SUCH CLAIMS OR DAMAGES APPLY. 12.1 “Special Products” are those Products manufactured or furnished by Company in accordance with drawings, samples, or manufacturing specifications designated by Buyer or its customers. Company reserves the right to ship and/or bill 10% more or less than the exact quantity of Special Products ordered by Buyer. All Special Products must be shipped to Buyer within thirty (30) days of manufacture; after thirty (30) days, Company may invoke a storage charge of 1% per month (12% per annum) on their remaining balance. Buyer has not paid, offered to pay, agreed to pay, or authorized or caused to be paid, in the amount of any invoice, contract, and that any rights, obligations or remedies arising from such a provision are otherwise declared in writing to accept such information as confidential under clearly defined obligations of confidence. Buyer represents and agrees that all information disclosed to Company by Buyer (except such information as is specifically subject to a confidentiality agreement signed by Company prior to such disclosure) is non-confidential, and that Company is free to use and disclose any or all of such information without accounting to Buyer therefor, notices on Buyer’s drawings, proposals, specifications and other documents to the contrary notwithstanding.
