

END OF LIFE NOTICE

January 28, 2025

Dear Valued Customer,

The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality.

Effective immediately, all special part numbers listed below have entered their End-of-Life (EoL). As part of our regular product life cycle management activities, a lack of demand was identified which resulted in a product that was no longer cost effective to manufacture. The items will be available until our current stock is sold, at which point they will be offered with a 5,000 ft. to 25,000 ft. minimum order quantity.

Should you have any questions, please feel free to contact your Alpha Wire representative or channel partner.

Sincerely,

Julie Harnishfeger
Product Manager
Alpha Wire
