

XTran Access Node

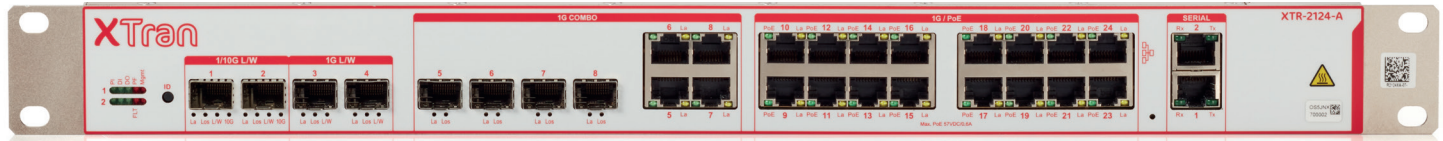

XTR-2124-A(F)

End-to-End MPLS for Operational Telecom made easy

- Tailored for industrial applications
- Intuitive and simple
- Reliable operations in harsh environments

End-to-End MPLS with integrated network management

- 1G or 10G WAN links
- Native MPLS-TP support
- Combo LAN ports: 1G Optical (SFP) or Electrical (RJ45)
- Electrical 1G LAN ports with PoE+
- Serial ports RS232/422/485
- Support for L2 & L3 VPN

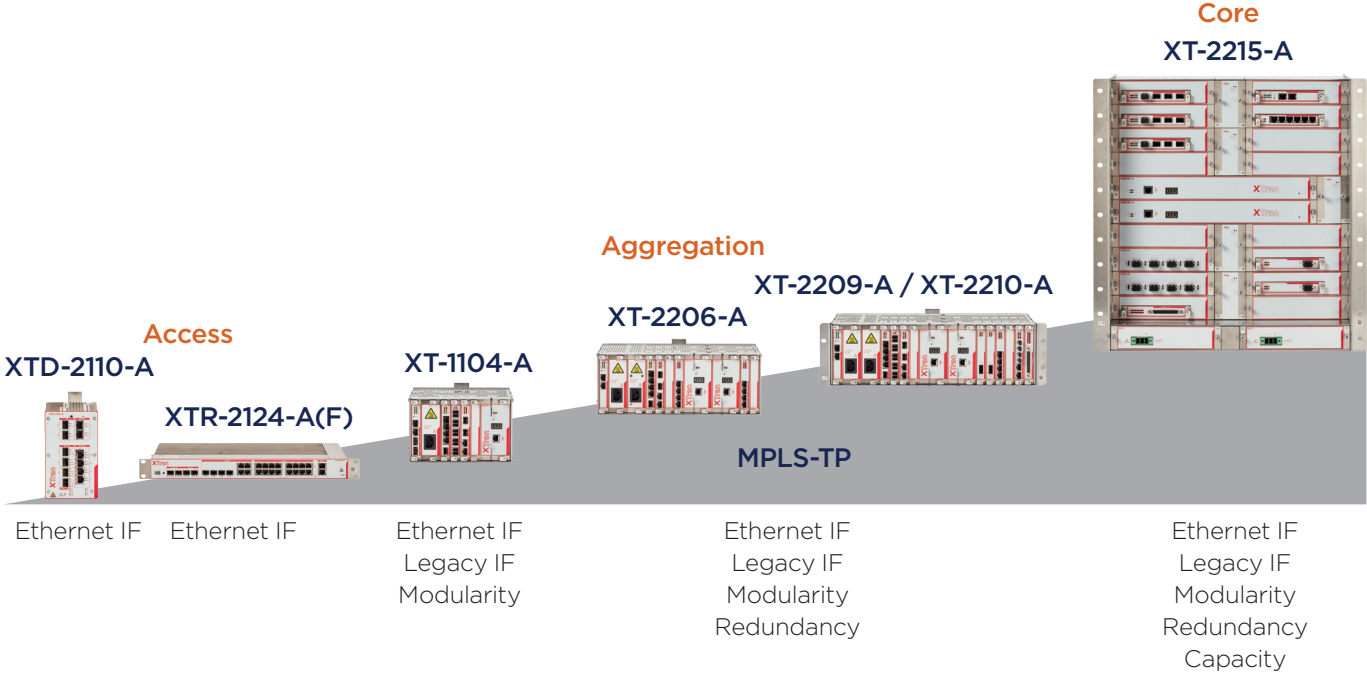

- EMC hardened (IEEE 1613, IEC 61850-3, EN50121-4)
- Extended temperature range: fanless operation (A) or forced cooling (AF)
- Compact size, 19" mountable

- Redundant 24-57VDC Power input
- SD card for easy configuration swap
- Digital Input & Output

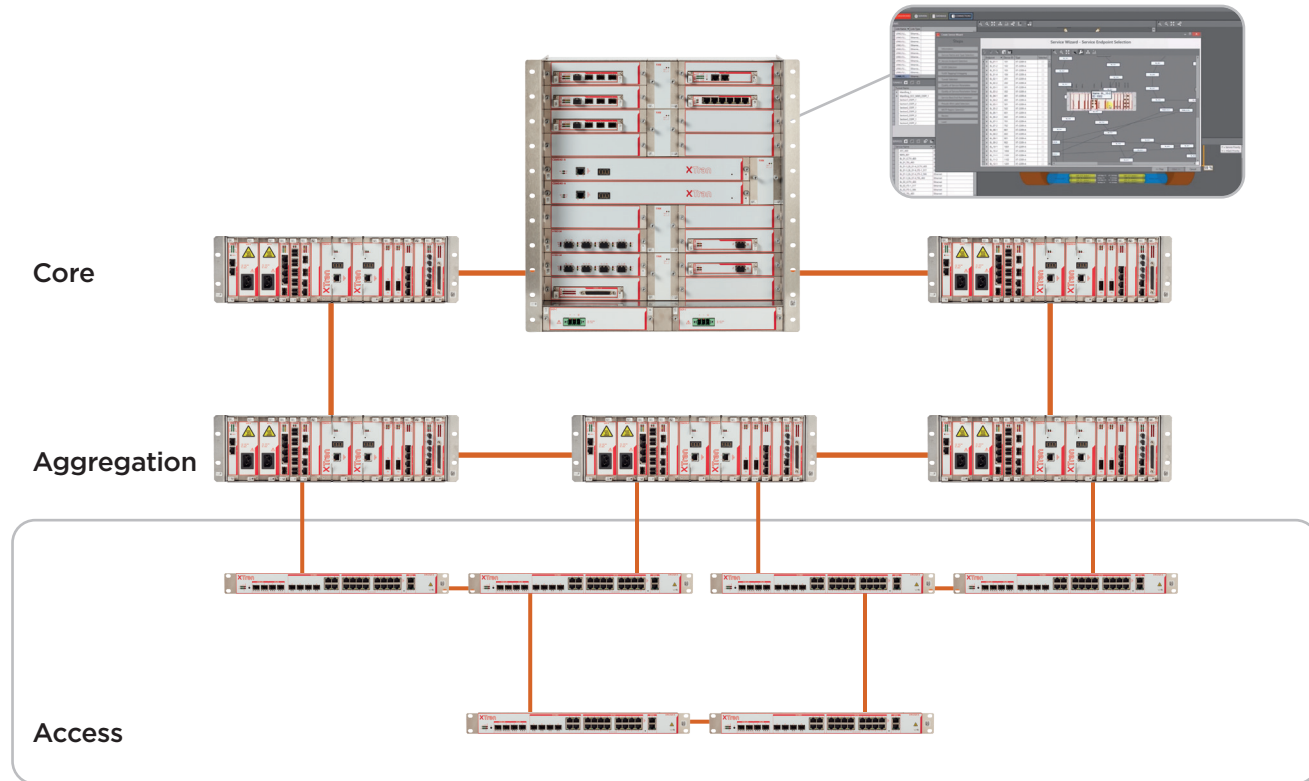

Part of the XTran Eco System

- Scalability in port count and bandwidth

End-to-End MPLS with integrated network management
