Date: December 6, 2024

To: All Belden Channel Partners

Subject: January 6, 2025, updates to List Prices, Terms and Conditions, and Product Discontinuations
Automation Solutions and Smart Infrastructure Solutions

Belden's Smart Infrastructure Solutions segment continues modifying the product portfolio to simplify our offering and enhance our service to you. Effective January 6, 2025, the following Belden **products will be discontinued**:

- All standard and custom broadcast panels
- Shielded Category 6A Cable 10GX52F and 10GX53F – ReelTuff put-ups only
- Select low-volume items from the ProSNS AV connectivity line, specialty audio and DataTwist Limited Combustible Cables

In addition, the complete line of Gepco brand of cables will be discontinued, with less popular Gepco items being discontinued effective on January 6, 2025, and all remaining Gepco items being discontinued on July 7, 2025. A comprehensive list of these products and recommended alternatives is available in the [attachment](#) to assist with updating your systems.

Backorders that have been scheduled will be honored. New orders will not be accepted after January 6, 2025, unless they can be supported by a limited amount of discontinued inventory which may be available. These orders will be non-cancellable and non-returnable. If interested, please contact Customer Service directly for a stock check as inventory may not be visible on eDesk.

We thank you for your partnership and continued loyalty to Belden as we carry on our commitment to provide the highest level of quality and service. If you have any further questions on these processes, please contact your inside sales representative or call 1-800-BELDEN1.
