2 February 2026

## Product Discontinuation Announcement – Hirschmann RED25 Product Family

Dear Valued Customer,

This letter serves as your formal notification that Belden is discontinuing **the Hirschmann RED25 product family**, effective February 2<sup>nd</sup>, 2026.

In order to meet the latest market and technology trends, Belden is constantly developing innovative and high-quality products and variants that complement and optimize our existing portfolio. Every product has a defined life cycle, and our products are typically characterized by a very long availability on the market. However, product discontinuation becomes inevitable over a period. For example, components in these products may be difficult to obtain or may no longer be available on the market.

Belden has a limited stock of these products to meet demand until the last delivery date. You can find the affected products in the attached list.

The standard warranty terms apply to all products delivered up to the last delivery date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit [Long Term Product Support \(LTPS\)](#). Active special contracts in place prior to the announcement date will be honored according to the terms of that contract, with regards to product availability, warranty, or support terms.

### Discontinuation Milestones – Hirschmann RED25 Product Family

Milestones	Date
Discontinuation Announcement Date	February 2nd, 2026
Last Order Date	October 31st, 2026
Last Delivery Date	January 31st, 2027
Last Service Date	January 31st, 2032

The delivery of this product will stop after the date of last delivery as outlined herein. Final orders can only be accepted on or before the last order date and are subject to the availability. Early ordering is strongly recommended!
